Each Session* will include:

- Readings and/or Viewings and the Assignments for each Weekly Session will be listed in the corresponding Weekly Session Folder.

- We will begin the first Weekly Session on Monday, 10/17 and end the following Monday, 10/24 11:59 pm CST. Weekly Sessions 2-7 run from Monday at 1:00 pm through the following Monday, 11:59 pm CST. Please plan accordingly. You can do a bit each day or go to town one or two days per weekly session—and you can plan around your busy schedules! Technically, the finals week ends on a Sunday; however, I will take your finals week assignments through Monday night.

- Most assignments—excepting quizzes, surveys, and the final paper—will be submitted through Discussion Board posts. Such posts are open to everyone and help serve as learning tools as well as products.

- **This is a working draft schedule—always check the Weekly Session Folder for confirmation of assignments and for more specific instructions and due dates.**
