Firearms on College Property
Except for licensed police officers, no person shall possess or carry any firearm, visible or concealed, on College property (including College buildings and grounds-leased or owned by the College, College athletic fields and parking lots) or in any College van or vehicle or at College-sponsored activities. College employees, students and visitors who hold concealed carry endorsements as allowed by Missouri law may not carry or bring any firearms, visible or concealed, on College property, owned or leased, or at any College activities.

Non-Discrimination/Accommodations Statement
St. Louis Community College is committed to non-discrimination and equal opportunities in its admissions, educational programs, activities, and employment regardless of race, color, creed, religion, sex, sexual orientation, national origin, ancestry, age, disability, genetic information, or status as a disabled or Vietnam-era veteran and shall take action necessary to ensure non-discrimination. Sexual harassment, including sexual violence, is also prohibited. For information or concerns related to discrimination or sexual harassment, contact William Woodward, Associate Vice Chancellor for Student Affairs, 314-539-5374.

If you have accommodation needs, please contact Anne Marie Schreiber, 314-984-7704, at least two working days prior to the event.

Educated and trained Master Naturalists are a valuable resource to the community in sharing their knowledge through volunteer and professional opportunities at nature and green facilities throughout the greater St. Louis area.

The Master Naturalist program is offered in collaboration with:
- St. Louis Community College
- Office of Continuing Education
- Biology Department
- Horticulture Department
- St. Louis Audubon Society
- Missouri Native Plant Society
- North American Butterfly Association
- St. Louis Astronomical Society
- Missouri Mycological Society
- Endangered Wolf Center
- Forest ReLeaf of Missouri
- Additional partners are continually added

The St. Louis Community College Office of Continuing Education offers individuals the opportunity to earn a Master Naturalist noncredit certificate for completing all components of the program which includes credit and non-credit classes, as well as volunteer service.

Become a Master Naturalist

The program consists of three main components:

1. Completion of five biology, geology, physical science or horticulture related college credit courses to be selected from the classes listed below. Programs may be taken as traditional classroom lecture, web-based or hybrid.

**Biology**
- Introductory Biology (BIO: 111)
- Conservation and Ecology (BIO: 117)
- Field Botany (BIO: 119)
- Field Zoology (BIO: 120)
- General Botany (BIO: 110)
- General Zoology (BIO: 110)
- Animal Behavior (BIO: 123)
- Ozark Ecology (BIO: 148)
- Marine Biology (BIO: 144)
- Desert Ecology (BIO: 146)

2. Attend six Continuing Education Master Naturalist designated classes offered through St. Louis Community College in the area of Nature (NATR). Two of the required six programs may be taken from the Ecology (ECOL) and/or Landscape and Gardening (HORT) section of classes. Topics include the study of local natural history, Missouri native plants, trees, butterflies, birds, astronomy, climate change, weather and more. Continuing Education offerings may change each semester. For a list of current Continuing Education classes or to register for programs, visit stlcc.edu/ce or call 314-984-7777.

3. Volunteer 25 hours and submit documentation of service from a local nature related organization. Time may include activities from multiple agencies in Missouri. Check with Continuing Education for volunteer opportunities.

Upon completion of these three components, candidates should complete the Master Naturalist application and a certificate of completion will be awarded.
